CHAIR BOARD OF SUPERVISORS COUNTY OF SACRAMENTO

700 H STREET, SUITE 2450 SACRAMENTO, CA 95814

October 1, 2006

To All County Employees:

The Sacramento County Board of Supervisors endorses one consolidated charitable campaign each year - the Sacramento County Employees' Campaign. In past years, we have performed well. This year, I wholeheartedly welcome your continued participation and welcome those of you who may be participating for the first time. This campaign does make a difference in our communities and, in some cases, the world.

Six federations of charitable organizations are represented: Community Health Charities of California, America's Charities, Earth Share of California, Global Impact, Sacramento Metropolitan Arts Partnership, and United Way California Capitol Region. The federations offer a wide variety of organizations, each committed to nurturing, healing, and improving our world. You may also designate a non-profit organization of your own choosing.

Soon your Department Campaign Chair will have pledge cards and directories describing specific charities. You can participate by making a continuing contribution through payroll deduction or a one-time contribution by check. Our goal this year is to achieve an increase in total contributions made by County employees to our participating organizations.

Remember, all contributions are important. Thank you for considering participation in the Sacramento County Employees' Campaign.

Sincerely,

Roberta MacGlashan, Chair
