3. Approve Minutes of June 16, 2008 Meeting

- Corrections were made under section 5, Crocker Art Museum Project Update, rewording the first bullet to clarify the separation between Cynthia's and Caren Gutierrez's names, and under section 2 regarding the fact that July was not Brianna's last meeting.
- Cynthia motioned to approve the June 16, 2008 minutes and Kiki seconded. The minutes were approved as amended.

4. Monitoring of Board of Supervisors Agendas

- Board meeting on the Gang Violence Initiative, which commissioners voted to support, rescheduled to a later date
- Board plans to hold a meeting for the approval of sale Midget Racing Track to the racing association

- July/August agenda monitoring is assigned to District 1 Commissioners.

5. Crocker Art Museum Project Update

- Cynthia did not receive an email from Rachel S. Cynthia will contact Rachel S. and proceed as necessary.

6. Youth Issues Survey Project Update

- Michele changed survey introduction to focus on why the survey is important and how long the survey takes and removed the original stated timeframe
- Twenty-five people took the survey and nineteen finished
- Michele made a request for a link to the survey be placed on the Youth Commission website
- Michele urges commissioners to continue spreading the word about the survey. The goal is 100 takers. So far there are twenty people in the facebook group.
- Michele suggested an in-person approach regarding the distribution of the survey if 100 people do not respond online

7. Trade Schools Brochure Project Update

- Michele is working on putting the brochure content into trifold format
- Naomi suggested indenting the answers to the numbers on page three.
- Cynthia suggested a grammar correction on page two, sentence 3
- Suggestion made to list college subjects for the colleges without a website on page 4. If college subject list is too large, perhaps only list a few
- Suggestion made to capitalize Culinary School on page 1

8. Other Business

- Megan introduced the idea of a regional transit brochure with the goal of making public transportation information more readily available. Commissioners discussed the pros and cons of a brochure focused on this topic. Suggestions were made to consider presenting the information in something other than brochure-form and to consider refocusing the subject of the brochure to overall transportation safety.

9. Public Comment on Non-Agenda Items

- There were no comments.

10. The meeting was adjourned at 6:44.
